EXECUTIVE OFFICER

Dear Supervisors:

**APPROVAL OF AMENDMENT NO. 5 TO MENTAL HEALTH SERVICES
AGREEMENT - LEGAL ENTITY WITH HERITAGE CLINIC AND THE
COMMUNITY ASSISTANCE PROGRAM FOR SENIORS DBA GERO-NET
FOR FISCAL YEAR 2003-2004
(SUPERVISORIAL DISTRICT 5)
(3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Director of Mental Health to prepare, sign, and execute Amendment No. 5 (substantially similar to the Attachment) to Contract No. DMH - 01519 with Heritage Clinic and the Community Assistance Program for Seniors dba Gero-Net to continue to enhance mental health services provided to the elderly population. The Amendment will be effective upon Board approval through June 30, 2004. The Amendment adds \$75,000 of Sales Tax Realignment funds and \$50,000 of Federal Financial Participation (FFP) Medical funds to the Maximum Contract Amount (MCA), making the revised MCA \$514,418 for Fiscal Year (FY) 2003-2004.
2. Delegate authority to the Director of Mental Health or his designee to prepare, sign, and execute future amendments to the existing Agreement with Gero-Net and establish as a new MCA the aggregate of the original contract and all amendments, provided that: 1) the County's total payments to the Contractor under the Agreement for each fiscal year shall not exceed a change of 20 percent from the applicable MCA; 2) any such increase shall be used to provide additional services or to reflect program and/or policy changes; 3) the Board of Supervisors has appropriated sufficient funds for all changes; 4) approval of County Counsel and the Chief Administrative Officer or his designee is obtained

prior to any such amendment; 5) the parties may, by written Amendment, mutually agree to reduce programs or services without reference to the 20 percent limitation; and 6) the Director of Mental Health shall notify the Board of Supervisors of Agreement changes in writing within 30 days after execution of each Amendment.

PURPOSE /JUSTIFICATION OF RECOMMENDED ACTIONS

Older adults, 60 years and older, comprise over 13 percent of the population in Los Angeles County, and are one of the fastest growing age groups. Impacted by this demographic change, and compounded by the aging of the baby boomer generation, increases in demands for mental health services have become evident. Additionally, older adults historically have been, and continue to represent, an under-funded and under-served population in mental health service utilization.

A significant number of older adults requiring mental health services are frail, homebound, and are also victims or at risk of elder physical, emotional, fiduciary abuse and neglect. Gero-Net, for an extensive number of years, has been one of a very limited number of providers of programs specialized in community based older adults mental health services by using a multi-disciplinary orientation and trained staff, to provide integrated bio-psycho-social assessment and mental health treatment of older adults. Due to the continuing increases in referrals and demands for services, the additional allocation of funding will allow the agency to meet these service needs. At this time, Board approval is being requested as the recommended increase to the MCA is not within the Department's delegated authority.

Implementation of Strategic Plan Goals

The recommended Board actions are consistent with the principles of the Countywide Strategic Plan, Goal #1 "Service Excellence" - Provide the public with easy access to quality information and services that are both beneficial and responsive and Goal #3, "Organizational Effectiveness" - Ensure that service delivery systems are efficient, effective and goal-oriented.

FISCAL IMPACT/FINANCING

There is no impact on net County cost. The \$125,000 increase in the FY 2003-2004 MCA, from \$389,418 to \$514,418, is fully funded with \$75,000 of Sales Tax Realignment funds and \$50,000 of Federal Financial Participation (FFP) Medi-Cal funds.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Heritage Clinic and the Community Assistance Program for Seniors dba Gero-Net facility, established in 1979, provides mental health and targeted case management services in-home and on an outpatient basis, to a multiple handicapped, frail elderly population. Gero-Net provides a continuum of mental health services to the San Gabriel Valley Region enhancing services provided to the elderly population.

Since 1984 DMH has had a contract with Gero-Net to serve the elderly population, and in 1995 Gero-Net became a Medi-Cal provider.

The Amendment has been approved as to form by County Counsel. The Chief Administrative Office, County Counsel, and DMH's Fiscal and Program Administrations have reviewed the proposed actions.

CONTRACTING PROCESS

The increase in demands for services, and the need for additional funding required for Gero-Net to maintain its viable level of services were presented to, and shared with the community, consumers, and providers at the local Service Area Advisory Committee during a planning session held this fiscal year. The Committee stakeholders also identified services to older adults as one of the top priorities.

IMPACT ON CURRENT SERVICES

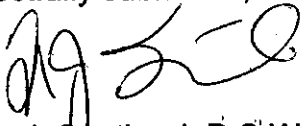

Board approval will allow DMH to augment mental health services within Mental Health Service Area 3 for older adult services provided by Gero-Net.
